Payments have not been made for the following reasons and debtor proposes	S
repayment as follows (explain your answer):	

☑ Other (explain your answer):

I have since made multiple payments not reflected on the certification. I tendered a payment for November and December of 2017 and January of 2018. The only outstanding payment is the February 2018 payment. I will be able to make the March payment when due and I am asking that the one remaining payment, which would apply to February of 2018, be spread out over a period of six months. I had a lot of payment obligations to pay all at once and unfortunately this fell to the wayside. And I have made most of the payments. This is my daughter's car and she desperately must have this car for use to travel to school and for other daily activities.

- 4. I certify under penalty of perjury that the above is true.
